

LOG CUTTING TABLES

ALL ABOUT MAKING LIFE EASIER!

Do your cutting at waist level, not in the dirt.

4 x 8 table size, 27" deck height.

Stake pockets on each side, load it up with multiple logs and cut from either side

Heavy duty steel frame is blasted and powder coated for long life.

4 x 4 deck sets cut spacing and makes it easy to grab cut pieces and roll onto splitter.

FULLY ASSEMBLED \$1000

FRAME ONLY \$750
